New efficient street lighting will pay for itself within seven years

A MASSIVE £3.6 million, six-month programme to replace 18,000 plus street lights across Somerset will start this month.

Somerset County Council will replace around one third of its street lights with greener, more efficient and 'Dark Sky' approved (to help reduce light pollution) LED technology

As each new light will use around 53 per cent less energy, the initial capital investment of £3.6 million should be paid back in less than seven years.

Cllr David Fothergill, Somerset County Council's Cabinet Member for Highways, said: "This

is a significant investment but one that makes sense on every level. The new street lights will use considerably less energy which means they are better for the environment and drastically reduce running costs – so the investment will pay for itself in a relatively short space of time.

"They're also Dark Sky approved, reducing light pollution by directing the light on the street where you need it, rather than being lost into the night sky."

Somerset County Council already has a policy of replacing expired or damaged street lights with LEDs and there are currently around 6,500 across Somerset.

This latest contract will see a further 18,148 lamps replaced between September and March 2017 at locations all across the county where the existing street light columns are suitable for upgrading to LEDs.

A further bid for capital funding is also in progress which, if successful, would see the roll-out of more LEDs in future.

Daren Bowden, Regional Director for SSE En-

terprise, said: "As the UK's largest street lighting contractor, SSE Enterprise is committed to promoting the many benefits that LED technology brings to both the environment through reducing CO₂ and light pollution but also the social benefits through increased quality of lighting.

"We're proud to be working in partnership with Somerset County Council to deliver this forward thinking step change towards LED street lighting."

Boy, 12, 'banned from town' after man hurt at college

A 12-YEAR-OLD boy is said to have been banned from entering Axminster after causing havoc at Axe Valley Community College.

One man was taken to hospital with leg and arm injuries on Tuesday last week, and police have confirmed that allegations of assault and criminal damage are being investigated.

The boy is not enrolled at the college, but police have been called there twice.

Following the most recent incident, on Tuesday, September 13th, headteacher Steve Green wrote to parents to say that the boy has been banned from entering Axminster as part of bail conditions.

A spokesperson for the ambulance service said it was called at 12.48pm and that a man in his 40s was taken to hospital in Exeter with leg and arm injuries.

It is understood that the man is not a college staff member.

HONITON

Council in row over right of way

A ROW has erupted between Honiton Town Council and the owners of the Dowell Street Auction Rooms after a right of way passage was blocked off.

The walkway has been in dispute for several years and the blockage – wooden planters – was discovered last week when staff at Hospiscare turned up for work and found their usual path from the Beehive car park down to the shop cut off.

Following an outcry from the public, Honiton Town Council released a statement addressing the situation.

Helen and Michael Matthews, the joint freehold owners of the Dowell Street auction rooms, said the council is hiding behind 'safety' as an excuse to block the entrance.

From the editor's chair Miscreants fail to ruin the carnival

CARNIVALS are fun events. People turn out in their thousands to watch the spectacle, enjoy a beer of two perhaps and buy an over-priced hot-dog from the street vendors. It's part of our social culture in this part of the world and they are great family occasions.

When so many people crowd into a town like Axminster there's always going to be a few idiots who make a fool of themselves, youngsters showing off to their mates by drinking too much, embarrassing their parents.

Sometimes they square up to each other but it rarely turns nasty.

This newspaper has been criticised heavily in the past when we have highlighted such behaviour and no doubt we will get a similar reaction when our carnival report is read this week.

There have been a few postings on social media that the behaviour of some ruined the evening for many. Police have confirmed that one group did cause a great deal of trouble and arrests followed.

We have spoken to a number who are closely connected with the carnival and whilst they deplored any bad behaviour they did not feel it

ruined the enjoyment of the occasion for the majority. True, there was a great deal of mess, including lots of broken glass, left around the streets but the organisers have praised Street Scene for clearing up the mess so quickly and thoroughly.

It would be a shame if Saturday's Axminster Carnival procession was marred by incidents of anti-social behaviour, especially as the organisers believe it was one of the best carnivals in recent years, attracting a bigger than usual crowd.

They are not easy events for the police to control and monitor. They want the spectators to enjoy the occasion but have to come down hard on those who don't behave.

Police have admitted disorder was limited to a particular group and there were a number of arrests for criminal damage and one officer was assaulted.

However, in a statement to this newspaper they stressed that the carnival was "fantastic, enjoyable and a credit to the organisers" and that those who misbehaved were being "dealt with".

OTTERY ST MARY Fight back on to save Ottery hospital

THE fight to save Ottery St Mary Hospital has been re-ignited following reports that a raft of cuts, including bed closures at district and community hospitals, could be in place by April 2017.

The BBC reported on the bed closures last week following the leaking of a document concerning the strategy for Devon's health service.

The Sustainability & Transformation Plan (STP), lays out that, if nothing were to change, by 2021 the health services alone in Devon are likely to be £572m in deficit.

The STP suggests that around 400 acute hospital beds (one in six) across Devon could be cut, as well as almost 200 community hospital beds.

SEATON New homes would slash 'green wedge'

PROPOSED affordable housing in a Beer Neighbourhood Plan consultation document has got Seaton town councillors worried.

Should the proposal become reality it will effectively reduce the rural area – or 'green wedge' – between Beer and Seaton by 50 per cent, they say.

The site in question is a piece of land off New Road to the east of White Cliff.

Seaton Town Council Planning Committee chairman Martin Shaw wrote: "We cannot accept that the land off New Road constitutes an acceptable site for development, even of affordable housing."

"...Seaton will do all it can to block it."

SIDMOUTH Port Royal set for regeneration

A DILAPIDATED area on Sidmouth's seafront is set for regeneration after East Devon District Council's Cabinet, in partnership with Sidmouth Town Council, agreed to start a Scoping Study into Port Royal.

Sidmouth Town Council has already recently approved the detail of a Scoping Study.

A Scoping Study's purpose is simply to set out the options which are potentially viable for an area such as Port Royal. Consultation, communication and engagement with the local community will feature for every stage of the project.

Port Royal has been a hot topic in Sidmouth for a long time and earlier this year a local architecture firm privately ran an international competition to design what the regeneration of the area should look like. Members of the public voted, with most of the feedback agreeing a community space was needed.

New cup presented at South Somerset Cider Sampling

BRIDPORT-based Dorset Nectar Cider was named the inaugural winner of the South Somerset Cider Sampling Gill Esp Cup, with Nigel Witcombe of Merriott a close runner-up with Hizen Cider.

The eighth South Somerset Cider Sampling took place on Friday, September 9th in Hinton St George Village Hall, near Crewkerne.

Ciders on offer ranged from one-person artisan producers to larger concerns such as Perry's and Burrow Hill.

This year saw the introduction of a competition for the best farmhouse cider, the winner awarded a traditional, hand-made, two handled cider mug made by local potter Les Farris.

The award is named the Gill Esp Cup in honour of a well-loved Hinton resident who died last year.

Gill's daughter Catherine joined the judging panel of renowned cider brandy maker Julian Temperley, author, poet and cider expert James Crowther and David Stagg visiting from Australia where he is a leading cider maker and proprietor of the Daylesford Cider Company.

Matthew Bryant, joint organiser with Kenton Bourne, commented: "We feel that the South

■ **CHAMPION:** Catherine presenting the Cup for Best Farmhouse Cider to Dante Strong of Dorset Nectar Cider

Somerset Cider Sampling is now an established part of the Somerset cider scene.

"It was a great to be joined by new producers such as Nigel Witcombe and Harry's Cider too, and also to have an international judging panel with David Stagg.

"Dorset Nectar were worthy winners of the Gill Esp Cup and a thoroughly enjoyable evening was had by all.

"Dorothy's Tea Room provided food and the event will have raised several hundred pounds, which will be divided between Hinton Village Hall and Church, but with half the proceeds going to Cancer Research UK in memory of Gill Esp.

"We look forward to welcoming people to next year's event on Friday, September 8th 2017."

Volunteer drivers described as 'lifesavers' at celebratory event

SOMERSET volunteer drivers have been formally thanked at two annual celebrations.

Nearly 200 dedicated drivers volunteer for Somerset County Council, providing transport for eligible non-emergency NHS patients and social care users, ranging from the elderly to young children.

Passengers describe the drivers as 'lifesavers' and a 'godsend' and this month they have been thanked by the County Council at events in Taunton and Yeovil.

Councillor David Fothergill, Somerset County Council's Cabinet member for highways and transport, said: "Our volunteer drivers really are unsung heroes, giving up their time to help all kinds of people who are eligible for a lift, whether that's taking a cancer patient to chemotherapy or dropping a child in care off at a contact visit with a family member.

"I want to take this opportunity to publicly say a very big thank you to them all for their hard work. It is appreciated and it does make a tremendous amount of difference in communities across Somerset.

"We are always in need of more drivers and would anyone who is interested to get in touch and find out more."

The two 'thank you' events also gave drivers from all over the county the chance to meet up and socialise with fellow volunteers.

A talk was given by Peter Wilson and Ross Perkins from Dementia Friends following a request from the drivers to know more about the condition and how to support the people they

pick up who are living with the dementia. Refreshments and cakes were donated by Mark Country Catering for the events.

Drivers highlighted how much they enjoy their role.

Keith Jones, for example, said: "Being a volunteer driver I meet some really interesting characters.

"The journey goes fast when you are talking. I like the fact that I am offering a service that they can't get anywhere else. The people I drive are always very grateful."

Pat Ryan explained: "I am well and healthy and I wanted to do something for people who haven't been as lucky as me. I feel too young to just do nothing and I want to be of help to people."

The ageing population in Somerset means demand for transport is growing and more volunteer drivers are needed. If people have a few hours to spare and enjoy driving and helping people, please get in touch.

Successful recruits can claim back up to 50p per mile for expenses. Hours can be flexible and volunteer driving is a rewarding opportunity to get out and about, meet new people and provide a vital community service.

Anyone can be a volunteer driver – the only criteria is that you must be over 18, have use of your own four-door vehicle, and hold a full UK driving licence with no more than six points.

To find out more, please contact Somerset You Can Do by calling 01278 664180, or visit www.somerset.gov.uk/volunteering

Supermarket launches new charity campaign

■ **NEW CAMPAIGN:** Susan Turnock of Hope for Tomorrow with Sue Meech, Helen Standerwick and Sheryl Ford from Sainsbury's, celebrating the beginning of the partnership

A CHARD supermarket reports that the launch of its new charity got off to a good start, with plenty of keen customers eager for information.

Following a vote by customers, the Chard branch of Sainsbury's chose Hope for Tomorrow as its new charity partner.

The charity provides mobile chemotherapy units, reducing travel, waiting times and the stresses and strains of hospitals.

A formal launch of the partner-

ship took place in-store recently and branch co-ordinator Sheryl Ford said: "The event was a huge success with customers showing much interest in the new charity partnership."

"Many donations were made to Hope for Tomorrow in-store plus the beautiful celebration cake, made by Hannah Jefferson (Sainsbury's), was raffled off over the weekend, resulting in even more cash for the charity."

Golf day fundraiser

■ Dale Edwards (Chief Executive, Somerset Chamber of Commerce); Loren Gray (Events Manager, Somerset Chamber of Commerce); Connie Beasley (Operations Director, Claims Consortium Group); Adam Fouracre (Chief Executive Officer, Stand Against Violence); Jeremy Hyams (Chief Executive Officer, Claims Consortium Group)

SOMERSET Chamber of Commerce's annual golf day raised £3,200 for Stand Against Violence (SAV).

Now in its tenth year, the annual fundraising event, which took place at Oake Manor Golf Club in August, raises funds for a different Somerset-based charity every year.

More than 60 business people took part this year, with the overall winners on the day being Claims Consortium, closely followed by Albert Goodman just one point be-

hind. Following a dinner and prize-giving, a raffle and auction were held to collect further funds for SAV, with the total amount raised on the day coming to £3,196.36.

Based in Taunton, SAV works with young people to prevent violence by holding anti-violence workshops, self-defence and first aid lessons in schools and youth organisations.

The cheque was presented to the charity's CEO, Adam Fouracre, who commented: "I

am thrilled that we were chosen as the charity for this year's golf day, having been a member of the chamber for two years.

"This has been invaluable to us, having the opportunity to utilise the chamber's contacts to raise much-needed funds for our charitable work."

"The money will be used to subsidise costs of delivering workshops at schools, teaching children valuable lessons at a low price or for free."

Chamber chief executive Dale Edwards said: "The annual golf day has become a firm favourite on the calendar for many of our members."

"The day provides a great opportunity to raise money for one of our member charities, whilst having an enjoyable few hours away from the office and networking with fellow business people."

"I am delighted that £3,200 was raised for Stand Against Violence and am already looking forward to next year."

Wadham School students celebrate at awards night

WADHAM School celebrated the achievements of its students at St Bartholomew's Church in Crewkerne on September 8th.

Headteacher David Derbyshire introduced proceedings and thanked the students for their endeavours and congratulated them on their achievements.

"It really has been a standout year for academic achievement at Wadham," he said.

"In the GCSE examinations 71 per cent of students passed English and Maths at A*-C grade and 63 per cent attained five GCSEs at A*-C grade including English and Maths, a fantastic 10 per cent improvement.

"Our A-level students also excelled achieving a 98 per cent pass rate with students seeking to progress to higher education all securing university places and those selecting an alternative career path securing top level apprenticeships and jobs."

Mr Derbyshire read out

two recently received letters commending the school on a number of levels, one from a former student and the other from a parent which had particular poignancy.

"I am incredibly proud of my team of teaching and support staff who are 100 per cent committed to creating the best possible opportunities for our students," he added.

Guest speaker and presenter of the awards was former head student, Dr Raj Sengupta, consultant rheumatologist in Bath.

He spoke of the quality of his teachers, the level of support given to him at Wadham and the sense of community at the school.

Dr Sengupta explained how this combined with the work ethic instilled by his parents gave him a wonderful grounding to follow his passion to work in medicine, culminating in now speaking worldwide on his special interest research, ankylosing spondylitis.

He concluded by encouraging students and said: "Be confident, believe in yourself, work hard and you can achieve anything – the world really is your oyster."

The presentations were complemented by the musical talents of Grace Truong playing a challenging technical piece on the harp and a superb adaptation of Ed Sheeran's 'I See Fire' by Megan Smith and Tarn White.

Liz Lister, South West Manager of Science, Technology, Engineering and Maths (STEM), presented the school with the STEM Engagement Award.

She commended the school on their focus on STEM and stated that "Wadham School is the only school in Somerset with student STEM ambassadors that go out to other schools to inspire their students in the value of STEM."

A brand new Service Above Self award was presented by the Rotary Club of Ilminster.

Madeline Bennett and Molly Daniel received the award jointly for their lead role in school fundraising to help Calais 'Jungle' migrants.

The award was instigated by Linda Vijeh, former president of Ilminster Rotary Club, who presented the impressive trophy along with current president, Harley Pope.

CHARD Museum's Heritage Afternoon was a lively affair.

The event was held on-September 10th and visitors could travel back in time with the help of numerous exhibits

Local filmmakers invited to New Zealand

A CHANCE meeting in a church has led to a group of Crewkerne filmmakers being invited to visit New Zealand where their film is a big hit.

The New Zealand connection first came about when Anorak Communications, part of Crewkerne & District University of the Third Age (U3A), was shooting its film last year.

Called 'The Power and The Glory', it tells some of the fascinating stories associated with historic churches in Somerset and Dorset.

While the members of Anorak Communications were at East Chinnock Church they met a couple from New Zealand, Jim and Anne McEwen, who were there at the same time researching their family history.

Anne took a picture of the Anorak team standing in front of the Agnus

Dei screen in the church.

A copy of the film was sent to the couple and Anne has now sent an email to Alan Keene of Anorak Communications "and all the amazing team" with an invitation to come to New Zealand.

She says: "I gave a talk on my family ancestors from East Chinnock, which was followed by a screening of your film 'The Power and The Glory'.

"It was a complete success and I have been asked to pass on our grateful thanks from all 55 members present. It was unanimous that we would love to see more of your team's informative work.

"In fact, we would love to see you all out here.

"One of our members belongs to a local U3A group here in Tauranga and she said you would be welcome

■ Anne McEwen, with her husband Jim, at St Mary's Church, East Chinnock

to visit groups throughout New Zealand.

"I encouraged her to go back to her group and discuss this with them (I did mention you would need your fares paid.)"

Alan said: "We're thrilled that they enjoyed our film so much that they would like us to visit New Zealand. I'm not sure it will happen, but it's fantastic to be asked."

Many other people also love the film, the latest of 18 to have been made by the group of seven who do everything involved in making a movie – from the story concept and script to the filming and editing.

The seven members of Anorak Communications – Tom Jones, Brian

Lawrence, Colin Mayes, Stuart Nuttall, Tom Downey, James McCosh and Alan Keene – may be the smallest group in Crewkerne & District U3A but they make a big impact.

So far 'The Power and The Glory' has been shown to seven organisations in the area, with three more screenings to come this year and more in the pipeline in 2017.

More than 30 copies of the DVD have been sold as far afield as Germany and, nearer home, Reading, Aylesbury and Liverpool.

The group started in 2007 and the subjects of earlier films have included the Taunton to Chard canal, old cinemas in Somerset and a year in the life of Merriott.

Town crier on the hunt for an escort

CREWKERNE town crier David Craner, pictured below, is on the lookout for an escort.

The escort's role is to accompany and walk arm-in-arm with the town crier at competitions, but she doesn't have to say or shout anything.

Mr Craner used to be escorted by his wife, but has been without accompaniment since they parted a year ago.

He has been on the circuit for more than 10 years and attends competitions each year, representing Crewkerne when competing in Somerset Seaton in Devon, and Beaminster in Dorset.

Mr Craner said: "I attend about 12 competitions a year, but would be keen for the escort to come out [on assignments] in the towns as well."

The regalia will be provided and Mr Craner described the escort's role as "a fun thing to do whilst keeping tradition alive".

He added: "You get to see different places with some fantastic and friendly people."

Talking about the year so far in terms of competition, he said: "I haven't had too many results, but I did win the South of England Championship in Blandford Forum."

The ideal escort would be friendly, have a sense of humour and, possibly, an interest in English tradition.

Anyone wishing to register an interest or finding out more can contact Mr Craner on 01297 560 840, 07875 925965 or by emailing davidcraner@btinternet.com

Chard School

CELEBRATES 345 YEARS OF HISTORY

ONE of the oldest schools in the country, Chard School has been educating children in its historic buildings since 1671, and this year celebrated its 345th anniversary in style, with a trip back in time for the current pupils, culminating in a pageant through the town. The school buildings themselves, which contain two spiral staircases and a wealth of period features, remind everyone of a certain famous wizarding school and, just as at Hogwarts, the atmosphere at Chard is truly unique.

This forthcoming academic year the school continues to move forward, with a healthy increase in pupil num-

bers. Our pupils are happy and motivated learners who truly benefit from the individual tuition our small classes can give them, and who also have the opportunities to become involved in the many artistic, musical and sporting activities that are on offer. Our next Open Morning will be on Saturday 8th October, 9.30-11.30am. Visitors will have the opportunity to meet staff and pupils, have a tour of our extensive facilities and take in our wonderful historical buildings on the way! Neroche schoolchildren celebrate Roald Dahl

NEROCHE Primary School's children enjoyed a 'splendiferous' day celebrating all things Roald Dahl, marking 100 marvellous years since the author's birth.

Neroche's school council raised an impressive £168 during the day to support the Roald Dahl charity for seriously ill children.

Headteacher Connel Boyle said "From Esio Trot to Willy Wonka

the children, enjoyed a really 'Whipple-Scrumptious' day.

"My thanks go to all of our parents for the costume efforts that made the day truly memorable."

Lions give backing to Parkinson's charity

THE president of the Lions Club of Ilminster and District, Alan Rudkin, has chosen Parkinson's UK as the club's main charity during his term in office.

It was stressed that the club will, as usual, support many other worthy

causes during the term. Support does not always come in the shape of money as it can also involve the donation of equipment.

A club spokesperson said: "The many calls for help and the work undertaken

by Ilminster Lions could not take place without the generosity and support of our community. Ilminster Lions would like to offer a sincere 'thank you' to all who give so generously and would ask for your continued support."

Hinkley 'C' finally given green light

THE go ahead for a new £18bn nuclear power station in Somerset has finally been given after the government imposed "significant new safeguards" for future projects.

The Hinkley Point 'C' Nuclear Plant, will be the first of its type to be built on UK soil for 20 years, but has been hit with constant delays and high profile resignations – most notably from the EDF board of directors.

It was temporarily put on hold when Theresa May took over the premiership from David Cameron in July.

The power station is being financed by the French and the Chinese. One of the stumbling points on the deal was that China wanted to use its design for new UK nuclear stations.

However, Theresa May's government said it would now "impose a new legal framework for future foreign investment in Britain's critical infrastructure".

Critics of the deal have warned of escalating costs and the implications of nuclear power plants being built in the UK by foreign governments.

In a statement, the government said: "After Hinkley, the British Government will take a special share in all future nuclear new-build projects.

"This will ensure that significant stakes cannot be sold without the government's knowledge or consent."

EDF say that the plant would bring 25,000 jobs to the local area.

South West MEP Julie Girling wel-

by Peter Hodges
peter@viewnews.co.uk

comed the news that the nuclear power plant is likely to go ahead.

Mrs Girling said: "I think it was only right that the new Prime Minister should want to satisfy herself over the cost and security matters involved in a huge investment from China.

"But I am delighted the result is a green light. As someone who works closely on environmental issues I am convinced that nuclear has to play a key part in a clean, green power mix.

"When the scheme goes ahead it will mean a major boost for jobs and the economy of our region for many years to come."

The decision by Theresa May to approve the go-ahead has been hailed as 'historic' by Unite, the country's largest union.

The union said that the announcement by Greg Clark, Secretary of State for Business, Energy and Industrial Strategy, has ended 'a period of unwelcome uncertainty' and its members were 'shovel ready' to start work on the project.

Unite national officer for energy Kevin Coyne said: "Today's historic decision is very welcome. Our members are shovel ready and dead keen to start work on the country's first nuclear power station for a generation.

"It is excellent news that that the un-

certainty caused by Theresa May's decision to put Hinkley Point 'on hold' has now been dispelled and that the government recognises the role of nuclear in a mixed energy economy.

"It means that the lights will remain on in the UK in the decades ahead and it heralds an economic renaissance for the West Country, with the accompanying creation of thousands of skilled jobs and the positive ripple effects to the supply chain across the UK.

"It is especially heartening that the new jobs will include 500 much-needed apprenticeships.

"This was the first big litmus test for big infrastructure projects, following June's EU referendum and shows that there is the appetite for giving the green light for such projects that the UK so desperately needs for its future economic prosperity.

"Unite will be pressing the UK government, EDF and the sub-contractors to make maximum use of British-made materials, such as steel, so that the benefits flow into the blood stream of the wider UK economy."

Kevin Coyne added: "The trade unions involved with this project are also pleased to say that we have agreed a ground-breaking template with EDF for decent working conditions and employment practices at the Somerset site."

Dale Edwards, Chief Executive of Somerset Chamber of Commerce, said, "The government's confirmation of

Hinkley Point 'C' is tremendous news for the region, signalling the start of a project that will bring enormous investment, the creation and security of many thousands of jobs, and huge benefits for the county as a whole through improved infrastructure and phenomenal business opportunities."

The Somerset Chamber of Commerce manages the Hinkley supply chain portal for the South West and is the first point of contact for Somerset and South West businesses wishing to engage in the construction of the nuclear new build project.

For information on registration, work packages and much more, visit www.hinkleysupplychain.co.uk

Councillor John Osman, Leader of Somerset County Council said: "The

announcement by Government is long-awaited and extremely important.

"This is a once in a lifetime opportunity for our businesses, young people and the county as a whole.

"We fully understand the additional time needed by Theresa May and her team wanting to make sure they have had every opportunity to give it their fullest scrutiny; this is a massive scheme that will bring the largest construction project in Europe to Somerset."

Councillor David Hall, Deputy Leader of the Council and Cabinet Member for Business and Inward Investment, said the long-awaited news from Government was 'the final hurdle cleared' for the delivery of the nuclear power station in Somerset.

Give your advertising an unfair advantage. Run some press ads.

The effectiveness consultancy Benchmarking have analysed what happens when companies include press advertising in their media mix.

They looked at 500 econometric models, across a five-year period and discovered that adding newspapers dramatically increases the return on investment of other media.

Over half were service companies who saw the effectiveness of their TV advertising double, ROI of their overall campaigns treble and their online digital display enjoy a four-fold increase.

Individual categories also saw impressive results.

Automotive campaigns clocked a 70% increase. In travel, effectiveness trebled. In retail it leapt by 2.8 times. And most remarkable of all, in the financial category, Benchmarking uncovered an increase of 5.7 times.

So, whatever business you are in, you should be in the newspapers.

Terry New Denture Clinic

Dentures from the comfort of your home

TERRY New's Denture Clinic offers a service that few can compete with. Terry has been in the denture business for more than 30 years, and got introduced to the business by a relative who was a technician as well.

He visits a lot of homes, and is one of the few practices in the country who is legally qualified to make dentures without the involvement of a dentist. He can make dentures straight to the public, which saves a lot of time and hassle.

"I do a lot of home visits, and meet a lot of people and go to a lot of residential homes," Terry said. "I offer one on one service, at competitive prices."

Prices are extremely competitive even for those with a limited budget. Terry also offers a denture repair service, while customers wait.

"As I work from home, I do offer service at weekends, if I am around."

Based near Ashcot in Somerset, Terry can do home visits within a 25 mile radius of his home. For more information call 01458 210039 or cut out and keep this advertisement for future reference.

West of England Laser Centre

Twas the Knife before Christmas

IF you are considering eyelid surgery to remove excess skin or fat and freshen and rejuvenate your appearance ready for the New Year then the Christmas period offers excellent recovery and 'hideaway' time ready for a fresher, younger (yet still natural) appearance.

Excess skin and fat is surgically removed, usually from the outside, using natural skin creases, leaving no visible scar. This can be combined with laser skin resurfacing, or injection treatments, to remove facial lines.

Surgery is performed at Nuffield Health Taunton Hospital by a Consultant Oculoplastic Surgeon, who specialises in plastic surgery around the eyes and who also holds an NHS Consultant post. In addition the Consultant is fully trained in the use of lasers for other skin problems such as removal of fine lines/wrinkles, birthmarks, age/sun spots, moles, thread veins, excess hair and tattoos.

COME AND JOIN THE CARNIVAL FUN AT ILMINSTER

CHILDREN'S CARNIVAL, 24TH SEPTEMBER 1.45PM - MAIN PROCESSION, 1ST OCTOBER 7.15PM

THIS year's Ilminster carnival week runs from Saturday 24th September to Saturday 1st October.

The Children's Carnival takes place on Saturday 24th September with Judging starting at 1.00pm and the procession due to leave the Ille Youth Club at 1.45pm. The parade will go from the youth club into East Street, Silver Street, Strawberry Bank, North Street, East Street and finish back at the youth club where the results will be given out.

During the week, the shops in Ilminster have been invited to take part in a decorated window competition with the theme of carnival. All participating shops have been given an Ilminster carnival logo card to display in their window to show they are taking part. Judging will take place during the week and the results announced in the market square after 10.30pm on carnival night along with the results from the main carnival procession.

QUIZ NIGHT AT THE SHRUBBERY

On Wednesday 28th September the Ilminster Rotary Club are organising a Quiz night at the Shrubbery for carnival week. 7.00pm for 7.30pm start. We are looking for teams of 4 - £6 per team. Everyone welcome.

Herberts Funfair will be located on the recreation ground from Wednesday 28th September through to Saturday 1st October.

CARNIVAL NIGHT MAIN PROCESSION - SATURDAY 1ST OCTOBER STARTING AT 7.15PM

The Carnival Committee would like to remind motorists that any parked cars along

the route of the carnival should be removed by 6.00pm at the latest.

Ahead of the main procession The Meridian Corp of Drums will be marching and playing through the town to set the atmosphere.

The procession will make its way down East Street into the Market Square and then up through Silver Street before moving onto the main road through Ilminster and down Station Road past the Shrubbery Hotel before reaching the dispersal area from the roundabout by the Texaco garage out towards Hort Bridge.

Motorists should be aware that the Bay Hill Road will be closed from 2.30pm, while other roads on the Carnival route will be closed to traffic from 6.30pm.

OFFICIAL CARNIVAL MERCHANDISE

With costs of around £6K required to enable carnival to take place in the town, and the collection for the last few years has been reducing to just over £3K last year, it is obvious this situation cannot continue.

The other towns in the South Somerset Federation of Carnivals also face the same difficulties and have come up with a plan which, with the support of the local community, could raise the extra funds needed to secure the future of Carnival in Wellington, Taunton, Ilminster and Chard.

We estimate that around £10,000 is lost at each town to the carnival purse by people purchasing carnival merchandise (LED toys and balloons) from pedlars from as far afield

as the Midlands who descend on our towns to sell these items and exploit the atmosphere we create. Most people will be surprised to learn that not a single penny of this comes back into carnival (and ultimately, therefore, to reach local groups and charities). The South Somerset Federation of Carnivals has joined together to purchase and sell better quality carnival merchandise at a cheaper price."

All we ask is that anyone wanting to purchase traditional carnival merchandise (LED swords, toys, hats and balloons) does so only from official Federation suppliers. There will be a range of merchandise on offer.

Merchandise will be available to purchase from a stall in the Market Square in Ilminster on carnival night. There will also be a City Plumbing van with authorised sellers selling merchandise ahead of the main procession in Ilminster. If people only buy from people wearing official tabards and signs, we can not only help to secure the future of carnival in the town, we can also make more significant donations to local groups and charities. Please remember, Ilminster Carnival is a not for

profit organisation; all of our committee members are volunteers (as are the marshals that assist us from other towns), and every penny raised after the deduction of running costs gets donated to deserving local groups and charities. Let's work together to keep this money in our town.

Colyford Goose Fayre

Saturday 24th September 2016

Get Medieval at the 37th Colyford Goose Fayre

ON September 24th the 37th Colyford Goose Fayre will be taking place.

The Fayre was revived in its current form 37 years ago, but was known to have existed in medieval times, which is the main theme of the afternoon. Everybody is encouraged to dress the part.

For one day every year our village steps back to medieval times and hundreds of people travel miles to come and see the event.

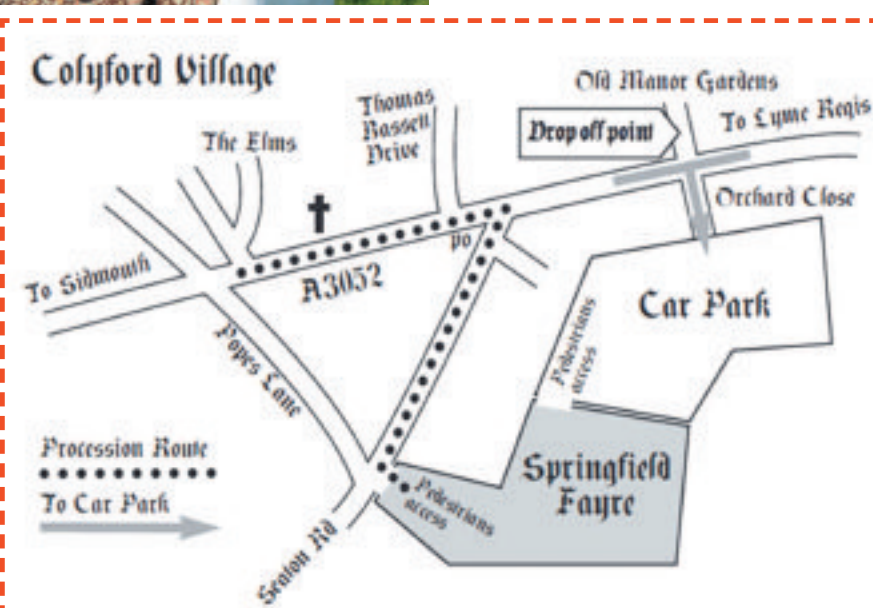

Any profits from the fayre are used for the village and some local organisations also benefit. From the outset it was decided that the

aim of holding the fayre was not to make unwarranted profit but to hope to gain enough to stage another fayre in the following year, for the benefit of all the local people.

The event organisers expect to sell 2,500 programmes at £3 each year with children going free and with free parking.

The event starts at 2.00pm with a procession of locals in medieval costume; followed by a programme of dancing, music, medieval crafts, stalls, the now renowned Mummers play and a ram roast all contribute to the atmosphere. The inevitable beer and tea tents make for a family afternoon out.

Last year Colyford Goose Fayre raised over £12,000, which is distributed to local organisations and charities.

Music helps the brain!

SINCE it formed in 2007 Lyme Regis-based music charity B Sharp has seen thousands of lives transformed by the power of playing music.

The link between music and improving the mind is well established and through its weekly groups and other regular events hosted by music leaders who are experienced composers, musicians, singer-songwriter and technicians, B Sharp provides continuous training to nurture young talent within the community.

The broad programme of music making includes large-scale community festivals, high profile regional performances and bespoke commissions as well as the weekly term-time music making programmes for musicians and singers from the age of eight, plus a training scheme for young and emerging leaders.

"Wherever you are, there's always a pathway to further your ability with B Sharp. This kind of training is a rare thing," says current music leader and former trainee Matt Hartnell.

Playing music has been shown to improve brain function, boost mental health, promote learning and increase memory. That has led to a generation of young people being able to build social confidence and skills to transfer into school, future training and employment. Many of those who take part in B Sharp have gone on to become professional musicians, music leaders and to work in other creative industries, inspiring others to follow suit.

"Through our unique traineeship and apprenticeship programmes that provide opportunities for young people to work alongside more experienced professionals we are able to grow our own future music leaders," says B Sharp CEO Fran Williams. "Our leadership training and professional development helps ensure that all young people are welcomed and supported to progress musically and socially within our programmes and work with partners to offer that training across the region."

B Sharp is now recruiting new members aged 8 to 19 to sign up to its weekly music making projects and welcome enquiries from prospective trainees, emerging and professional music leaders.

For more information visit www.bsharp.uk.com, email bsharp@bsharp.uk.com or call Fran Williams on 07968 177663.

A Night of Orbison

ROY ORBISON was one of the most successful singer-songwriters of his era recording such iconic hits as 'Only The Lonely', 'Oh, Pretty Woman', 'Running Scared', 'In Dreams', 'Penny Arcade', 'Claudette', 'Mean Woman Blues', 'Dream Baby' and 'Crying'.

A Night of Orbison

reminds us all of these wonderful hits plus many, many more as West End star and native New Yorker Lars Young (*Be Bop A Lula*, *Rock n Roll Paradise*, *Hello I'm Johnny Cash*) becomes the legend.

With support from his fabulous band and very special guest vocalist and television star Wendy Abrahams, this

is a concert event that will have audiences mesmerised, thrilled and singing along!

A Night of Orbison will be performed at The Manor Pavilion, Sidmouth on Friday, September 30th. For more details and to book call Box Office: 01395 514413.

Talented Axminster Drama Club cast getting ready for black comedy

SOME of Axminster's finest female actors are appearing in an Axminster Drama Club production of 'A Better You' on September 29th and 30th and October 1st at the Guildhall.

The play tells the story of what happens when five very different women - from the neurotic to the shameless to the domineering - who meet every week at the local community hall turn up one evening to find out, unexpectedly, that they're to be given a presentation on the 'A Better You' self-empowerment program.

Needless to say, the evening doesn't go quite as smoothly as it might. What do you do with the body of a comatose self-help presenter, whom you have inadvertently over-medicated, when you discover that the hall has been double-booked and a pair of ballroom dancers turn up to rehearse their Cha Cha?

This is a seriously funny black comedy. Tickets available from Archway Bookshop on Church Street. Telephone: 01297 33595 (after hours: 01404 831089).

Barcelona-born baritone Josep-Ramon Olive to perform in Ilminster

"EXPRESSIVE", "noble" and "fearsome" are just a few of the many accolades earned by young Barcelona-born baritone Josep-Ramon Olive for his outstanding vocal performances. *Bachtrack* has described his Tarquinius role in Britten's *The Rape of Lucretia*, as: "...he conveys the arrogance and bitterness of Tarquinius very successfully, his natural stage presence an asset."

Josep-Ramon is widely acknowledged as a finely rounded musical individual who in addition to vocal and choral training has studied piano and cello at the very highest level with leading names such as Richard Levitt, Graham Johnson, David Gowland and Eric Halfvarson.

He collaborates regularly with different national and international orchestras including the London Handel Orchestra and the Cambridge Philharmonic, and has worked under the baton of great conductors such as Laurence Cummings, Jordi Savall, Johan Duijck and Timothy Redmond.

Josep-Ramon will be accompanied by Ricardo Gosalbo, a Spanish-French collaborative pianist who is a Junior Fellow in piano accompaniment at Trinity Laban Conservatoire of Music and Dance and a Spanish vocal music coach at Guildhall School of Music and Drama, where he has also held a fellowship. Ricardo has won numerous prizes including the 'Prix de Lied' at the Concours Interna-

tional de chant-piano Nadia et Lili Boulanger, the Guildhall Piano Accompaniment Prize, the Oxford Lieder Young Artist Platform and the Paul Hamburger Prize for voice and piano duo.

Josep-Ramon Olive performs at Bridport Arts Centre, South Street from 11am-12noon on Friday, October 7th. Tickets are £10, available by calling 01308 424204 or from www.bridport-arts.com. Josep-Ramon will then play at Ilminster Arts Centre at the Meeting House on Friday, October 7th at 8pm. Tickets are £15 (pre-show supper £13 but must be pre-booked) available by calling 01460 55783 or from www.the-meetinghouse.org.uk

The rhythm of Africa comes to East Devon

A CELEBRATE AFRICA evening of pop-rock-gospel and African songs, drums and traditional African dancers Shosholozza in aid of a School in Zambia, will take place in Seaton.

Local Musicians Lorrain de Peyer and David Norrish join forces to put on a concert for a school in the bush in Africa where they both taught in the 1970's.

When Lorrain and David both attended a re-union in London in 2013 for the girls school Njase in Zambia, Africa where they had both been teachers, they were surprised to find that they were now living as neighbours, Lorrain living in Seaton and David living in Sidmouth.

Even more of a coincidence is that one of David's many responsibilities when he taught at Njase all those years ago was to run the School Choir and that Lorrain now runs two local choirs in East Devon and Taunton.

At the school in Africa David encouraged the choir to sing the songs that come from their own languages, Tonga and Lesotho that is spoken in the surroundings areas to the school. He recorded a CD of the girls singing these songs which will be for sale at the concert. Back in the 1970's this was no mean feat as recording equipment was scarce especially in Africa

At that time Lorrain was only nineteen years old and she taught the girls English, Games and Art at the school. She had no idea that she would later take up music as her career and become a choir leader.

At the re-union in London for the school where Lorrain and David met up with each other they also connected with some of the X Njase students who

now live in the UK. They heard how the school was in a sad state of repair and on the decline needing money for even basic things like furniture and that the X Njase School girls (now women) were setting up a charity to support the school.

So the idea to use the leverage of choirs to put on a concert for the school was born and Lorrain asked David Norrish if he would come and teach her choirs some of the Zambian songs that the girls used to sing in his choir at Njase which you can hear at the concert. The enthusiasm for the concert has since expanded to include special guest performances from some other local choirs - The Seaton Chorus; The Rhythm of Life Choirs; a local drumming drop called Drum4Fun and a very special performance from the unique and original professional dancers from Zimbabwe called Shosholozza.

We trust you can come along and join us dancing in the isles to the drums and singing along to the songs and the sound of Africa at this very special concert. For details of Lorrain's musical team building sessions for groups and organisations please call 01297 792874 info@thecouragetosing.co.uk, www.thecouragetosing.co.uk

Film fun for all at The Beehive

A SELECTION of thrilling films will be shown at The Beehive over the next two weeks, beginning with a nostalgic cinema showing of *'High Society'* on Friday, September 23rd at 2pm. The effervescent musical reinvention of Philip Barry's play *The Philadelphia Story* features an endlessly delightful Cole Porter score.

Among *High Society's* high points: Sinatra and Celeste Holm ask 'Who Wants to Be a Millionaire?'; Bing Crosby and Grace Kelly share 'True Love', Bing and Ol' Blue Eyes sing 'Well, Did You Evah?' and Crosby and Louis 'Satchmo'; Armstrong jive with 'Now You Has Jazz'. This is a Dementia friendly film open to all and followed by free tea and biscuits in the Beehive café bar.

Also on September 23rd at 7.30pm the magnificent Brian Cox stars as a frustrated and gloriously grumpy, ageing, acting legend in *'The Carer'*, driving his daughter, played by Emilia Fox,

around the bend!

On September 30th *'Nerve'* stars Emma Roberts and James Franco. *Nerve* doesn't fail to give the comedic, thrilling, edge-of-your-seat entertainment that moviegoers crave on a night out. The chemistry between Franco and Roberts, the intense visuals, and memorable soundtrack readily draws watchers into the movie.

The family film we have all been waiting for, starring the marvellous Mark Rylance as Roald Dahl's *'BFG'* is coming to the Beehive cinema for two showings on Saturday, October 1st at 3pm and 7pm.

SOUTH WEST PROPERTY TO SHOWCASE IN LONDON EXHIBITION

PROPERTY for sale with the 80 offices of the Experts in Property across Cornwall, Devon, Dorset, Somerset and Bristol will be showcased at an exhibition in London next month.

the Experts in Property Autumn Exhibition will take place at the prestigious and very busy High Street offices of leading Hammersmith and Fulham estate agency, Lawsons & Daughters, on Thursday 6th October. The exhibition starts at 2pm and will run till 7pm for the convenience of those unable to attend during the working day.

Lawsons & Daughters has given over its impressive front office showroom and dedicated the whole of its window display to the exhibition, which is also being promoted in various national and regional property publications as well as Metro, the Evening Standard and through social media.

Taking Westcountry properties directly to buyers in the capital and surrounds, the network holds regular events in London, the top location of people searching for property in the region. Its last event was a huge success with visitors looking for a diverse mix of property to move into and as investments as well as boltholes and holiday homes.

Local property experts from some of the 80 offices will be travelling to London to attend the exhibition, to answer questions about our beautiful region and show details of specific properties to potential buyers.

Edition 18 of Distinctly Westcountry, the net-

work's glossy magazine and home of distinctive property in the region, will be published to coincide with the exhibition. Copies will be available at the event and afterwards at Lawsons & Daughters as well as offices of the Experts in Property throughout the five counties.

Steve Moir, chairman of the Experts in Property, said: "We are pleased to once again work in conjunction with Lawsons & Daughters. The location of their office is fantastic, very accessible and easy to find, just a short walk from Fulham Broadway Underground Station and in one of London's most popular residential areas close to Knightsbridge and Chelsea."

Brian Corson, director of Lawsons & Daughters, said: "There is an upward trend of Londoners moving away from the hustle and bustle and the Westcountry is a popular destination, particularly for retirees, young families and those who work from home. We're very pleased to once again host the exhibition."

To have your property taken directly to affluent buyers in London, speak to your local office of the Experts in Property. As an added bonus, the network is currently running an Autumn Giveaway with a top prize of £2,500 to spend in John Lewis – home owners who have their local office conduct a free, no obligation sales or rental valuation on their property are eligible to enter. To find your nearest office, look for the logo or find the Agent's Directory at www.theexpertsin-property.co.uk.

SEAT unveils Mii by Cosmopolitan at #FashFest in London

THE cars we drive are a reflection of our personalities, a carefully chosen investment that not only gets us from place to place, but defines who we are. For consumers looking for performance and fun, last night at Cosmo's glitzy #FashFest, SEAT and Cosmopolitan launched the SEAT Mii by COSMOPOLITAN. The culmination of an 18-month co-creation process between SEAT and Cosmopolitan's global creative team, regional editors and readers across the UK and Europe, the latest member of the Mii city car family is the perfect car for confident, independent, active young women who are really going places.

"This is a car that adapts to today's lifestyle by providing amazing solutions that are both intuitive and easy to use. The SEAT Mii by COSMOPOLITAN is dynamic, stylish and versatile, with a daring, edgy appeal. Not only did we strive to create an elegant car, it is designed to be a bold, personal ally for the driver, with amazing solutions that are functional and intuitive," SEAT's global marketing director, Susanne Franz said.

Designed with the tastes and preferences of Cosmopolitan's audience in mind, the Mii by COSMOPOLITAN is agile, exciting to drive and easy to park; an aesthetically pleasing car with personality. Cosmopolitan's readers participated in the process, sharing thoughts and opinions through surveys and product testing,

offering feedback and ideas.

Kim St. Clair Bodden, senior vice president and editorial director of Hearst Magazines International, explains, "Cosmopolitan is the biggest, most powerful young women's brand in the world, engaging and inspiring our readers to achieve the fun, fearless lives they want. It has been incredibly rewarding to work with SEAT, our global editors and readers to design a car with all the bells and whistles that really personalise the driving experience."

Cosmopolitan is supporting the launch with a social media campaign around the hashtag #ThisIsMii, with engaging content based on reader opinions and experiences, creating a conversation around the car, fashion, lifestyle, beauty and work, putting the SEAT Mii by COSMOPOLITAN in context with readers' lives. From the social posts, readers can click through to the SEAT website for more detailed information on the Mii by COSMOPOLITAN. Following its debut at Cosmo #FashFest, the Mii by COSMOPOLITAN will be showcased at the Paris Motor Show at the end of this month.

Light and Shade, the Magic of Colour

Small on the outside, yet big on the inside, the Mii by COSMOPOLITAN is versatile, safe, economical, comfortable, reliable and kind to the environment. It's also sophisticated, feminine and chic, with a design that reflects a bold, audacious, lifestyle.

The Mii by COSMOPOLITAN is available in two colours; Violetto and Candy White,

with champagne-toned bismuth details inside and out. Candy White is a smooth tone, while Violetto has an elegant, pearlescent finish, achieved by carefully choosing colour pigments, revealing the 'flip,' or light, and the 'flop,' or dark, tones. Even its headlights have an 'eyeliner' shape, emphasised in the same way as make-up emphasises the eye. The jewelled, bi-colour alloy wheels works in harmony, offering a surprise sparkle.

The champagne-finish of the door mirrors is reflected in the interior details as well, on the air-vents, the infotainment system surrounds and in the stitching of the car, including the floor mats. Violet seats are upholstered in Alcantara, high-end, top-quality upholstery; while the ceiling is upholstered in dark tones, providing a sense of glamour. Aluminium strips in the front footwells are encribed with "COSMOPOLITANlovesMii." The interior chrome details are matte, with the exception of the SEAT logo found on the steering wheel.

As Much Mii as Any Other Mii

Always innovating, SEAT is at the forefront of the growing trend towards collaborations between the car industry and partners in other sectors, first with women's fashion and accessories retailer Mango, and now with Cosmopolitan.

The SEAT Mii by COSMOPOLITAN launches in the UK in early 2017 with the 1.0 75 PS engine and five-speed manual

transmission. The frugal engine emits 102 g/km of CO₂, with fuel economy of 64.2 mpg on the combined cycle.

The Mii by COSMOPOLITAN has all the elements necessary to ensure a safe and comfortable drive, from air-conditioning to "Hill Hold Control" (to prevent roll-back), as well as a list of optional extras that allows the driver to configure a Mii with rear parking sensors and a 300-watt sound system and subwoofer. And for staying connected, the new infotainment system "Smartphone integration

with Drive Mii app" has a smartphone cradle integrated into the dashboard. To amplify the driving experience, the SEAT Mii by COSMOPOLITAN app, "DriveMii" (available in Play Store or App Store for Android and iOS devices) enables the driver to control the infotainment system through a smartphone.

The Mii by COSMOPOLITAN is a car built for and co-created by women who want the time they spend behind the wheel to be as engaging and exciting as every other facet of their busy, fun, fearless lives.

Volvo cars reveals its adventurous side with new V90 Cross Country

VOLVO Cars, the premium car maker, has unveiled the eagerly awaited V90 Cross Country, completing its 90 series line-up.

Since the introduction of the first Cross Country almost 20 years ago, Volvo Cars has become synonymous with the rugged all-road, all-weather product category, with a growing stable of Cross Country models.

Volvo Cars' Cross Country models fulfil an increasingly important part of the Swedish brand's product portfolio as luxury car buyers seek out a more experienced-based lifestyle that occasionally takes them off the beaten track.

"The V90 Cross Country takes the elegance of the V90 and transforms it into an all-road car that delivers safety, comfort and performance in a capable and adventurous package," said Håkan Samuelsson, President & CEO, Volvo Car Group.

With some of the harshest winters on the planet and more than 77 per cent of the country covered in forest and lakes, Sweden is the natural place to develop and test extreme durability and all-weather-capable cars. This hard-won expertise represents a large part of Volvo Cars' heritage, reflected in the company's Cross Country model line-up.

"Our cars are well known for their safety, strength and durability. With All-Wheel Drive, increased ride height and a chassis optimised for comfort and control in all weather and road conditions, the new V90 Cross Country takes our versatile V90 estate and adds the

heart of an explorer," said Dr Peter Mertens, Senior Vice President Research & Development at Volvo Cars.

With Volvo Cars' Scalable Product Architecture providing the underpinnings, the V90 Cross Country has undergone rigorous testing to ensure that it can survive the extremes in which it will ultimately find itself.

From secret testing facilities in the frozen north of Sweden, where temperatures regularly hit -40 degrees centigrade, to the searing desert heat of Arizona, where Volvo Cars performs its high-temperature testing program, the V90 Cross Country has been built to last.

With a design that clearly stands out from the crowd, the V90 Cross Country's rugged character belies a sumptuous interior that delivers a level of luxury uncommon in the segment, combining all the benefits of the connectivity and entertainment features that were launched with the new S90 and V90, including a high-end sound system by Bowers & Wilkins.

The V90 Cross Country's exterior design cues communicate the powerful and dynamic capability that the car exemplifies, while offering the flexibility to choose from both rugged and elegant expressions.

"Designing a Volvo Cross Coun-

try is not a styling exercise, a plastic job. It is based on honest capability. The Volvo V90 Cross Country brings a surprising and intriguing combination of a strong, powerful exterior and a luxurious, Scandinavian interior. It will continue the genuine tradition of the Volvo Cross Country with a new recipe: the blend of powerful off-road capability in a most elegant, sophisticated, tailored wagon suit," said Thomas Ingenlath, Senior Vice President Design at Volvo Cars.

The new V90 Cross Country takes this well-established segment to a new level of comfort-inspired capability. Production of the car is set to start this autumn at Volvo Cars' Torslanda plant in Sweden.

UK prices will be announced later this year, and first deliveries are expected in Q1 2017.

The new Mercedes-AMG GT Roadster and Mercedes-AMG GT C Roadster: Open-top driving performance as a twin pack

MERCEDES-AMG is blowing even more fresh air into the AMG GT family. Shortly after the world premiere of the AMG GT R, the sports car and performance brand from Affalterbach is presenting two exciting roadster variants of the two-seater sports car. Alongside the AMG GT Roadster, the AMG GT C Roadster enhances the portfolio with a completely new model variant. With an output of 410 kW (557 hp) and peak torque of 680 Nm, the AMG GT C is the most powerful new Roadster variant and uses some of the technical refinements of the AMG GT R. These include active rear axle steering and the electronically controlled rear axle locking differential. In combina-

tion with the AMG RIDE CONTROL sport suspension, the AMG GT C Roadster guarantees dynamic performance at the very highest level. The top Roadster also takes its lead from the top AMG GT R sports car where muscular proportions are concerned: the wider rear wings create space for a wider track and wider wheels at the rear axle, allowing even higher cornering speeds and excellent traction. The variable performance exhaust system also ensures an authentic V8 sound from the AMG Roadster.

The new Roadsters make hall-mark AMG driving performance an even more intensive experience. "With our two Roadster models, we are strategically ex-

panding the AMG GT family by two exciting variants. With the AMG GT C Roadster, we are also introducing a new model variant to which we have transferred main performance-related components from our top sports car, the AMG GT R. The result: a highly dynamic driving experience in a very exclusive ambience, coupled with that pure roadster feeling," says Tobias Moers, Chairman of Mercedes-AMG GmbH.

With the two Roadster variants the Mercedes-AMG GT family has now increased to five members. The two new sports cars with fabric soft tops likewise have the technical genes for which AMG is famous. These include e.g. the lightweight and

torsionally rigid aluminium bodysell plus powerful and efficient V8 biturbo engines. The entry level into the Roadster world is the AMG GT with an output of 350 kW (476 hp). The AMG GT C Roadster adds a completely new output level. With 410 kW (557 hp) it is the more powerful of the two new open-top sports cars.

The AMG GT C Roadster not only delivers more output and torque, it also impresses with numerous technical highlights from the Mercedes-AMG GT R for even more dynamic performance. Like the AMG GT R, the AMG GT C Roadster is recognisable by its wide, muscular rear end and large wheels. Other technical measures include the

wider rear track and active rear axle steering.

The AMG GT C Roadster is also equipped with a lithium-ion battery, and has more exclusive appointments. Standard features

include a nappa leather interior, the AMG performance steering wheel in nappa leather / DINAMICA microfibre and the additional transmission mode RACE.

Friend heads Chard to Roman victory

Taylor-made point for Blues – injury woes for Combe St Nicholas

Chard Town 2 Roman Glass 1

Toolstation D1 – att; 70

CHARD Town came from behind to continue their impressive start to the season on their famous sloping Zembard Lane Pitch.

There were no goals in a lively opening half hour, but the deadlock was broken by the Romans' Jon Walker.

But Chard were level before the interval when skipper Taoufik Ben Salem headed a corner back into the danger area and Kieran Bailey did well to hook the ball home.

The winner came four minutes after the turnaround when Steve Friend was rewarded for his persistence by chasing down a long punt from keeper Jon Hill and nodded the ball over the advancing keeper for a classic route-one goal.

The Robins, currently 16th will look to make five home wins from five when they entertain second-placed neighbours Wellington Town tomorrow night (Wednesday) before a trip to Chippenhams Park on Saturday.

Chard: Jon Hill, Pat Golden, Shaun Wells-Burr, Kieren Bailey, Sam Coombes, Cian Cabell, Luke Jackson, Taoufik Ben Salem (Capt) (David Hardie 90), Max Westlake, Steve Friend, James Boyland (Scott Jakeman 84). Unused sub: Ryan McGuinn.

Walter Parsons League Cup

AXMINSTER TOWN 0 EXMOUTH TOWN 1

AXMINSTER endured a tough afternoon against Premier League Exmouth Town in the 1st Round of the Walter Parsons League Cup.

The game started slowly with very little in the way of goalmouth action. Both teams were lacklustre with defences on top.

The second half started in much the same way but Exmouth played with more drive and commitment and controlled the bulk of the half.

The visitors forced a series of corners and the deadlock was finally broken on the hour when a quick counter attack was headed away by Mark Scott but fell straight to Aaron Denny who volleyed an excellent long range shot to leave Ax keeper Scott Wells-Burr stranded.

Axminster brought on substitute Oscar Latas to add more energy to the attack but the Exmouth defence coped comfortably and goalkeeper Chris Wright had little to do.

Axminster: Scott Well-Burr, Craig Every, Ben Clay, Mark Scott, Elliot Dyer, Liam Cleal, Nathan Warren, Callum Garrett, Danny Clay, Ben Vine, Jonny Hurford. Subs: Oscar Latas, Mark Smale.

hit when Jamie Barfoot was forced off injured early on and Timsbury took full advantage to stroll to victory.

Combe manager Phil Loaring missed the defeat but told **View Sports**: "It will be nice to finally be able to put out a full strength team this season. Hopefully, over the coming weeks we should get everybody back."

ILMINSTER TOWN 1 CLEEVE WEST TOWN 1

ILMINSTER Town's unbeaten start to the season continued with a point from the League Cup group match at the Archie Gooch Ground on Saturday.

Joe Simmons went close to putting the Blues ahead but his header came back off the crossbar. But it was the visitors who headed off for the drinks with their noses in front when they bundled home a scrappy opener right on the half-time whistle.

Simmons and skipper Brad Miles both failed to convert good chances to equalise after the turnaround, but Taylor Jefferson made no mistake 10 minutes from time with his fourth goal of the season.

"We were the better side throughout, but they were very dangerous going forward," said Ilminster boss Jason Manley.

Ilminster: Rich Pippin, Darren Brown, Jon May, Josh Parsons, Karl Davis, Brad Miles (Capt), Matt Brown, Jack Male, Joe Simmons, Taylor Jefferson, Liam Riste. Subs: Dan Smith, Aaron Sweet, Luke Paul.

PERRY STREET 2 AXMINSTER TOWN RES 2

SAM Bond's second half strike earned Perry Street a useful point from the local derby with Axminster Town Reserves who will be pleased with the result having recently lost the reverse fixture 10-5 at Tiger Way.

Jay Stewart clipped the bar for Street early on, but it was Dan O'Connor who opened the scoring after getting on the end of a Billy Sheahan corner.

But the Tigers were level soon afterwards with Ben Turner prodding the ball home from another corner kick.

Ax took the lead after half-time through Aaron Daniels but Bond fired home from 12 yards and the points were shared.

Perry Street are in Bill Slee Cup action at Priory on Saturday while **Ilminster Town Reserves**, after a weekend off, resume their quest for promotion from Division Seven when they welcome Seaton Town Reserves.

SOMERSET INTERMEDIATE CUP

MERRIOTT Rovers progressed to the second round of the Somerset intermediate cup with a 2-1 extra time win at AFC Nailsea, with goals from Jack Steer, a neat finish, and an extra time winner from Sam Rowsell.

Merriott manager Dan Childs said: "We dominated for most of the game, creating numerous chances, but we're still a bit below par."

Over at Unity Lane goals from Stuart Guest, Keiren Bailey and Jake Barry saw Misterton Reserves take Frome Town Sports to penalties after a 3-3 draw. But Frome edged the spot-kicks 5-3.

It was a bad day for Combe A who were thrashed 7-0 on their own Slades Cross turf by Worle.

Finally, South Petherton Reserves failed to raise a side for the trip to Crewkerne Rangers who were awarded a walkover.

WINSHAM United moved two points clear at the top of the table after an impressive 2-1 win at Barrington. Scott Davis and Brad Masters netted for the Winsh with substitute Carl Lazenby on target for the hosts whose Manager Sid Brown picked out Tom Butler as his MoM.

◆ **DECIDER:** Brad Masters

Unbeaten Misterton have made a good start too. Jamie Spurdle (2), Mike McCormack and Harry Manley scored the goals on Saturday in a 4-1 win at Chard United. Dan Rogers scored the consolation with Darren Wells-Burr getting new manager Paul Macklin's vote as his MoM.

It was honours even at Oxleaze where a late equaliser from Richard Crabb salvaged a point for Shepton Beauchamp in a 2-2 draw with West & Middle Chinnock.

Shepton had earlier taken a 1-0 lead in to half-time through a header from player-manager Doug Whitfield from an Aaron Stayner corner.

But the hosts turned things around with goals from Alex Pope, a superb free kick, and Matt Harvey and appeared to be heading for a win until Crabb netted the equaliser.

There was still time for Justin Sweet to blaze the ball over the bar with the last kick of the match with the goal gaping. "It would have been a thoroughly undeserved win – we were better after shifting to 3-5-2 in the second-half, but overall we were awful," said Whitfield.

Chinns joint manager Dan Harvey was disappointed with the result: "We dominated the first half, but ended up rueing missed chances and also had

two goals disallowed."

Harvey was impressed by the efforts of Joe Kingman in midfield and the returning Liam Bennett.

There was however no doubt over the outcome of the remaining two matches with big wins for Beaminster and South Petherton against Combe Reserves and Netherbury respectively.

Beaminster got off to the perfect start at home against Combe with Rich Hebditch slotting home yet another penalty. It was 2-0 soon after with Rhys Hayter getting on the score sheet.

Dan Baggs nodded home number three and Hebditch struck again before the interval.

Rainbows' manager Gordy Childs took the opportunity to shuffle things around at half-time with three changes.

But the goals kept coming after the hour with Hebditch scoring twice more and Murray Legg getting in on the act. Childs picked out Hebditch and Josh Baker as his top performers in the 7-0 win.

Pethy went one better as they thrashed Netherbury 8-0 up at Lightgate Lane.

The first-half was relatively close. Danny Rendell headed the Magpies in front and Dan Kadir added number two in the closing stages of the half. But the second 45 was one-way traffic.

Ryan Thurgood grabbed a hat-trick, Rendall and Kadir both scored again and Shane Adcock – Case joined in the fun with a 25-yard free-kick.

Early basement battle ahead

Bideford 26 Chard 13

South West One

CHARD'S difficult start to the season continued at Bideford on Saturday when the home side scored three converted tries in the first half.

Jon Humphrey kicked two penalties but, with Bideford also adding a penalty, Chard trailed by 21-6 at half time.

An unconverted try gave Bideford an additional bonus point but Chard finished well with a try from Bryn Mays and, al-

though Humphries added the conversion points, it was too little too late for Chard who are yet to get off the mark.

Next Saturday the team welcome fellow strugglers Kingsbridge (3pm ko).

Next Saturday is also the Vice presidents lunch and anyone intending to come should confirm with Rob Gilbert (07989 927797) as soon as possible

Wellington Colts 12

Chard Colts 24

CHARD played away under lights at Wellington last Thursday.

They scored the first try but a converted effort by the home side late in the half gave them a 7-5 advantage at the break.

Chard started really well in the second half and the scored after good work by Barnaby Down, but a poor restart resulted in Wellington re-gaining the lead.

But Chard were not to be outdone and they deservedly won the game with two more tries both of which were converted.

Try scorers for Chard were Joe Mainwaring, Alex Hill (2), and Ben Lock.

With Down adding two conversions.
